Positively Wild!

Piedmont Wildlife Center's gift-sponsorship program

Need a unique gift? Give your friends and family a gift that supports wildlife through Piedmont Wildlife Center. For as little as $35, your *tax-deductible* gift will provide food and supplies for the Center's wildlife hospital, support educational programming for our community, and further the study of wildlife and ways we can live more harmoniously with them. The recipient of your gift card, which features a color photograph of their sponsored animal, will also receive an 8½" x 6" sponsorship certificate and a fact sheet about their animal ambassador.

Do something *Positively Wild!* for yourself and those you love.
